J. T. HARAHAAN KILLED

Former President of Illinois Central Railroad Meets Death in Wreck

WAS ONCE CONNECTED WITH L. & N.

J. T. Harahan, former president of the I. C. Railroad, was killed in a wreck at Kimmidy, Ill., yesterday at 1 o'clock.

He, with a party of men, as his guests were in a private car when train No. 3, Crack train of the road, passed through the town at the rate of 50 miles per hour, and crashed into train No. 25, telescoping the car in which the railroad officials were. All of the men were instantly killed and the car reduced to a mass of wreckage. The other railroad officials were: E. D. Pierce, general solicitor of the Rock Island; E. E. Wright, attorney of Memphis and connected with the Illinois Central legal department; F. O. Melchor vice president of the Rock Island.

Mr. Harahan was formerly connected with the L. & N. in various official capacities and was a railroad man of exceptional abilities. He was 59 years old.

It seemed wreck was due to the negligence of the flagman on No. 25, who failed to flag No. 3 as its duties required. He immediately disappeared after the catastrophe and has not yet been found.

Locked in Matrimonial Embrace

Miss Francis McCord and Tom Blair, of this city, accompanied by Miss Mary and Hugh Blair, left on 53 for Hopkinsville, yesterday morning where they were united in the holy bonds of matrimony at the home of the Catholic Priest.

Miss McCord is a charming young lady, while Mr. Blair is one of Earlinton's most popular young men.

They returned on 52 to Nortonville where they drove from there to their home in order to escape the rice shower which their many friends were planning.

Both of the young people are well and favorably known in this city, among their many friends.

The Bee extends their heartiest congratulations.

Good Service at Methodist Church

Reverend Brandon delivered a most interesting and impressive sermon Sunday night. The subject of his sermon was "Speed," not in the sense that one generally thinks of the word, but as progress. He talked of the indebtedness of the church and the progress that could be made toward the paying of the debt during the ensuing eight months, at the end of which time his pastorate expires.

There was one addition. This is a very progressive church and much interest is being taken. Good crowds are at every service. The music is splendid. Every body cordially invited to attend.

No More Dyspepsia.

Gas, or other Stomach Troubles. Nothing will remain undigested or sour on your stomach if you will take a little Digestive, a powerful digestive, harmless and pleasant as Maple Syrup. For sale by the drug department of the St. Bernard Mining Company, Incorporated.

Sunday School Growing

There were 72 ladies and 54 gentlemen present at the Christian Sunday School Sunday morning, making a total of 126. There was a collection of \$7.50, and two birthday offerings.

Every body invited to attend and help make it a large school.

THE LAMP LIGHTER

By P. B. M.

He is only one of the sons of toil,
Who makes the road, as a whole,
He walks the track with his can of oil.

He climbs from Pole to pole,
He trims the wick, he cleans the glass,
Each day, year after year,
So the Engineer's who might pass,
May know the track is clear.

Though lonely the labor and small the pay,

Though cold be the rain and snow,
No word of complaint does the lamp-lighter say.

But serene on his way he'll go;
For there's work to do and it must be done.

Though the days be long and drear,
For the engineer on the long night's run

Must know if the track is clear.

He stops no train on chasm's brink,

And to death he hurls a frown,

The signal lights that flash and blink,

Will bring him no renown,

But he marks with a will as the bright lights show,

That the engineer's who pass by in the night may know,

If the track ahead is clear.

AGED CITIZEN BADLY HURT

Ben Rash of Madisonville Broke His Hip

Mr. Ben Rash, of Madisonville, one of the oldest and most prominent men of the city, was running some chickens in the chicken yard when he slipped and fell. His hip was broken in the fall. Dr. Sory was immediately called in and he had them to get a load of sand to put him on. A wagon was sent to Victoria mine for the sand.

His sons, Watt Rash, of Henderson, and James R. Rash, of near Madisonville, were sent for.

It is hoped that the accident will not prove serious, and that he will soon be able to be out again.

Drug Store Dissolved

The drug firm of Taylor & Poole was dissolved this week, Mr. Poole selling his interest to Mr. Taylor and retiring from the business. This firm began business about a year ago when it bought out Mr. G. E. Countzler. It is one of the leading drug houses in the county and under its new management has enjoyed a splendid trade.

Mr. Taylor is a skilled pharmacist and a shrewd business man and by his upright dealings and genial disposition has made many friends here for himself and business.

In speaking of the dissolution of the partnership Mr. Poole said: "No business relation could have been more pleasant than mine has been as a member of this firm. The business is in fine shape and growing rapidly. I regret that other business relations make it necessary for me to sell my interest."

From now on the business will be conducted in the name of John X. Taylor.

Mr. Taylor is well and favorably known in this place where he was in the drug business for a number of years. His many Earlinton friends will be glad to hear of his success.

Foleys Kidney Pills

always give satisfaction because they always do the work. J. T. Shelton, Bremen, Ga., says: "I have used Foleys Kidney Pills with great satisfaction and found more relief from their use than from any other kidney medicine, and I've tried almost all kinds. I can cheerfully recommend them to all sufferers for kidney and bladder trouble." Foleys Kidney Pills will cure any case of kidney or bladder trouble not beyond the reach of medicine. No medicine can do more.

Sold by St. Bernard Mining Co., Incorporated, Drug Department.

Church Notes

Madisonville Christian Church

Charles Cox delivered a farewell talk to the Sunday School Sunday. He leaves this week for Lexington, Ky., to enter the College of the Bible of Transylvania University to prepare himself for the Christian Ministry. Who will be the next of our young men to go? We will gladly give you up if you will leave town for that purpose.

Treasurer Ot Waddill made his report of the splendid financial conditions of the Sunday School and turned the books over to his successor John Salmon. Mr. Waddill has made a faithful official but the press of business affairs caused him to decline re-election. The Choir will note that it is to meet each Wednesday night after prayer meeting for rehearsal. A good rehearsal was held last time and the Lord's Day morning audience appreciated the good music.

Prayer meeting on Wednesday evening has adopted a program which is intensely interesting and profitable.

Every member should look around in the vestibule of the church and see something there of intense interest to each one whose name is on the church roll--try it and you will not want to do without it.

Without engaging in abusive language the pulpit of the Christian Church has spoken in an unmistakable manner during this temperance campaign on the issues before the people.

Next Sunday the battle will be over and we will settle down again to regular work and every member should be in his or her place. Remember that the Sunday evening services will be resumed and that the Christian Endeavor will have an intensely interesting meeting.

The Danger of La Grippe

Is its fatal tendency to pneumonia. To cure your la grippe coughs take Foleys Honey and Tar Compound. R. E. Fisher, Washington, Kan., says: "I was troubled with a severe attack of la grippe and nothing I used did me any good and was threatened with pneumonia. A friend advised me to use Foleys Honey and Tar Compound and I got some at once. I was relieved from the very first. By the time I had taken three bottles my la grippe was gone. I believe Foleys Honey and Tar Compound to be the best medicine I ever used and always keep a bottle with me."

Sold by St. Bernard Mining Co., Incorporated, Drug Department.

Didn't Want Wife Notified Until After the Operation

While crossing from one train to another, Rufus Bourland, 88, a car inspector of the L. & N., was struck and horribly crushed by a switch engine in the Howell yards Sunday night.

He was removed to St. Mary's hospital, where his leg was amputated and an arm was taken off at the shoulder.

Bourland had inspected one train of cars and started to another.

He directed that his wife not be told of the accident until after the operation.

The Mystic Eleven met with the Misses Kemp and Murrell on Tuesday evening, Jan. 16, 1912. Although all the members were not present a most pleasant evening was spent in the usual way. Those present were as follows: Kathleen Spillman, Irene and Beatie Coyle, Gertrude O'Bannon, Mable Browning, Elizabeth and Margaret Kemp and Katie Murrell; Mesdames W. R. Coyle, H. L. Browning, Stella M. Kemp and the clubs "mascot" Paul Moore Jr.

Art Exhibit Here in February to Buy Pictures for Graded Schools

Preparations are rapidly nearing completion for an exhibition in Earlinton of pictures, consisting of carbon photographs and engravings, loaned by A. W. Elson Co., of Boston, Mass. It will be held under the auspices of the Earlinton Graded School. The object of the exhibition is to purchase pictures to place in the public schools.

Recognizing the educational advantages to be derived from opportunities to see good art, the school has arranged this exhibition, which will be held at the Victory Building, February 7 to 10. The exhibition will comprise over two hundred pictures, all of them copies of great masterpieces.

The pictures which will be exhibited will not be for sale, but it will be possible, through a committee to purchase exact duplicates, and the money raised through private sales of this character will also go toward the fund for purchasing pictures for the public school.

It is not generally recognized among educational authorities that education in culture and refinement can easily be aided through the wholesome influence of pictures of the right sort on the school walls. The larger the attendance at the exhibition, the greater the number of pictures that can be secured for the schools.

This collection consists in large part of carbon and photographs made directly from the original masterpieces, and is selected by art experts.

One of the leading art critics, John C. Van Dyke, says:

"You must look at pictures studiously, earnestly, honestly. It will take years before you can come to a full appreciation of it, but when at last you have, you will be possessed of one of the purest, softest and most ennobling pleasures that the world can offer you."

These pictures are of interest to all, both young and old, and they are expected to attract and instruct large numbers of people. Admission 10 and 15 cents. Open every afternoon and night.

TIRED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy.

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic. Vinol, and I am so glad I did, for it gave me a hearty appetite, I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook. What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. The kidney secretions were scanty and there was a constant pain in my back which completely blinded me at times. I often became dizzy and dark spots appeared before my eyes. Nothing helped me until I procured Doan's Kidney Pills at the St. Bernard Drug Store. I felt better after taking them a few days and from that time on I improved steadily until I was well."

How to Get Votes

With every yearly subscription to The Earlington Bee, accompanied by \$1 in cash, 3,000 votes will be given. This applies to back subscriptions as well as new subscriptions, and you can pay for as many as you desire. You can also get votes on job printing and advertising—100 votes for each dollar paid on either job printing or advertising. Get your friends to give you the votes when they pay any of their accounts. But the best way to get votes is to secure subscriptions to The Bee, as the schedule of votes is so much greater for subscriptions than for anything else. You will be surprised how easy it is to get subscriptions to The Bee if you try.
